

6th Annual Pink SOCS Golf Outing

After losing Joanne Vargas, one of the Pink SOCS founders in 2009, on March 19, 2012 the Pink SOCS Foundation lost another one of our founders, Bette Ann Pinkham. Unfortunately we lost our eldest sister Joan in February of this year so we are even more dedicated to finding a cure for this horrible disease. We, as an organization, use donations to fund cancer research along with providing assistance to families who have been devastated by cancer. As part of our efforts, Pink SOCS is hosting our sixth annual golf outing on May 6th at Twin Brooks Country Club in Watchung, New Jersey.

Enclosed is the information regarding your participation in this event. Please complete the application and return to Pink SOCS no later than April 20th. We would love to have you join us to golf. However if you are unable to golf, please consider joining us for dinner.

Thank you for your past and future support. Together we ARE the cure!

Sincerely,

Pink SOCS Foundation, Inc.
